

WELDING MACHINE

MIG-200-21

Efficient & Effective

PORTABLE WELDING MACHINE

MIG-200-21 is 2 in 1 Gasless MIG Welding Machine + MMA Inverter Welding Machine.

Features:

- Portable 240v input Voltage.
- Gasless MIG, convenient for users.
- Light in weight.

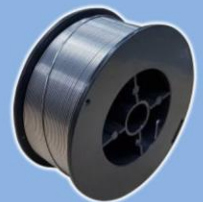

Accessories included:

- Welding Cable with Electrode Holder.
- Earth Cable with Earth Clamp.
- 3M MB IS MIG Torch.
- Welding Hand Shield.
- Wire Bush

1.0MM GASLESS WELDING WIRE 1KG

| Model | | MIG-200-21 | | | | |
|-------------------|---------------|---------------|----------------------|---------------|-------|-------|
| | U_0 56V | MIG | 30A/15.5V-200A/24V | | | |
| | | MMA | 30A/21.2V-180A/27.2V | | | |
| | U_1 220V | X | 60% | 100% | | |
| | | Model | MIG | MMA | MIG | MMA |
| | 1-50Hz/60Hz | I2 | 200A | 180A | 155A | 139A |
| | | U2 | 24V | 27.2V | 21.7V | 25.6V |
| | | I1max = 27.8A | | I1eff = 21.5A | | |
| Cooling way: WIND | | IP21S | | | | |
