## LTB-120

### *Efficient & Effective*

#### TILE BREAKER

##### Features & Benefits:

**Easy to Use:** Simple and intuitive controls make the tile breaker easy to operate, even for non-technical users.

**Time-Saving:** Tile breakers can cut through tiles quickly and easily, reducing the time required for tile installation or removal.

**Cost-Effective:** Tile breakers are a cost-effective alternative to expensive tile cutting tools, saving money on equipment costs and labor expenses.

**Safety:** Tile breakers are generally safer to use than traditional tile cutting tools, such as tile saws, which can create dust and debris and pose a safety hazard to users.

**Ergonomic Design:** Comfortable handles and anti-vibration technology, to reduce fatigue and improve user comfort.

**Portable:** Compact and lightweight design allows for easy movement from one job site to another.

Model	LTB-120
Power	1400 W
Voltage	230 V / 50 Hz
Hammer Speed	1900 RPM
Weight (Kg)	39
Dimension (LxWxH) mm	650 x 550 x 1070
